living

Room for opportunity

An investment property is so much more than just bricks and mortar. It's about lifestyle, convenience and community.

Just 15 minutes from the heart of Townsville, this natural retreat inspires a dynamic lifestyle, in all the best ways possible. With direct links via major highways to Townsville CBD and plenty of community facilities including open spaces, parks, cycling and walking paths, you'll be amazed by everything Elliot Springs masterplanned community has to offer.

With up to six schools planned, including two high schools, plus childcare centres and community business facilities, learning will be available for all ages.

There will be more opportunities for the ultimate work-life balance in Elliot Springs. Residents can travel home in just minutes from workplaces at Lavarack Barracks, Townsville Hospital, James Cook University and the city. And with industrial operations such as the zinc and copper refineries being so close it means Elliot Springs is in the heart of Townsville's southern commercial growth corridor. A total of \$11.2B worth of project developments are in the pipeline for the area, with a large focus on infrastructure, commercial and industrial projects**.

Julago# offers an affordable entry price, lower vacancy rates and rental yield on par with the Townsville LGA. Now is the time to act, and secure both strong rental returns and capital growth as the project matures.

Your future awaits at Elliot Springs.

Commercial

At Elliot Springs there will be new business ventures waiting to be explored. A planned 60-hectare enterprise park (commercial, technology, business service, light industrial) plus an anticipated 21-hectare retail precinct, means Elliot Springs is the perfect place to explore new business opportunities.

The Elliot Springs BP opened at entrance to the community in July 2021.

Education

Up to six schools planned for Elliot Springs, including two high schools, plus childcare centres and community business facilities.

A future primary school is intended to be located adjacent to Wadda Mooli Park.

Open Space

Over 30 percent of the site reserved for open space.

Extensive network of walking and cycling paths linking local parks, sporting fields, playgrounds, picnic and barbeque areas, as well as a ridge walk, super park and mountain bike tracks.

Wadda Mooli Park opened in 2017 and is designed as a recreation destination for the wider Townsville community.

Shopping

As the master plan comes to life, the community will blossom with multiple large and small retail offerings throughout the community.

There is planned multiple convenience shops throughout the community, a future town centre as well as a future 5ha neighbourhood centre.
