Elliot Springs Master Plan

Just 15 km from the CBD on the Bruce Highway, Elliot Springs will be the size of Annandale, Aitkenvale, Vincent, Gulliver and Mundingburra combined, making it Townsville's largest master planned community.

Live the active, outdoor lifestyle that locals know and love in the best spot in Townsville. More than a beautiful location, Elliot Springs will be a place to live a full life. You'll be able to walk the kids to school, cycle to the shops, catch up with friends and even start a business, all without leaving the community.
