Landscape package with ProChoice

A landscape package to suit every home

Those of us living in Queensland are the envy of the nation, and with mild weather all year round the outdoor landscape forms an integral part of every new home design.

From beautiful entries, plunge pools and water features to firepits, courtyards and retaining walls, ProChoice Home and Outdoor is dedicated to creating beautiful and functional outdoor living spaces that reflect your ideas and lifestyle.

With over 100 years of combined experience, our licensed and professional team will provide you with expert advice and design ideas as well as delivering quality finishes with attention to detail and exceptional customer service.

Quality developers, builders and discerning home owners choose ProChoice Home and Outdoor, the professional choice for all your landscaping needs.

Kinma Valley

PRO CHOICE
— HOME & OUTDOOR —

Partnering with Lendlease to provide a range of front landscape packages that have been designed specifically for the Kinma Valley Estate, ProChoice Home and Outdoor is committed to supporting the vision to ensure that this development is the premier estate within the region.
