

LOCAL PEOPLE. LOCAL JOBS.

The Skilling & Employment Centre is a community initiative funded by Lendlease to support and assist local people into local employment.

A LITTLE ABOUT US

Since 2005 the Skilling & Employment centre has assisted more than 6,200 people into employment.

Over 3,700 people have undertaken skilling and training courses to support their job readiness for work in Construction, Healthcare, Transport & Logistics, Hospitality & Tourism, Retail and Manufacturing within our local region.

Our clients are keen and motivated to find employment that aligns with their career aspirations and goals and it is our every endeavour to assist them in their journey.

OUR TEAM

We have a professional and versatile team with long standing experience in a variety of industries including supply & logistics, construction & trades, aviation, banking, hospitality and retail.

Having insight into these industries allows the Centre to offer job seeking clients valuable and insightful tips and tricks on what is expected from an employers perspective.

OVER 6,200 JOB PLACEMENTS AND 3,700 SKILLING AND TRAINING SINCE 2005

WHAT WE DO

Our team work closely with keen and job ready people in the Western Sydney area to assist them into employment and training.

Offering **career coaching, creation of resumes and cover letters, extensive support with tricky online applications, selection criteria's and mock interviews**, our professional team equip clients with the knowledge needed to succeed in securing employment in their dream career.

Skilling & Employment works collaboratively with local employers, training providers and support services. Ensuring we have the best community connections and knowledge to provide an upstanding service to the local people.

FREE RECRUITMENT SERVICES TO LOCAL BUSINESSES

Our team offers free recruitment services to businesses located in the Western Sydney Area. Services offered are:

- Position advertising
- Pre-screen applicants
- Initial interviewing
- Aptitude testing
- Interview coaching of applicants
- Referral of ideal candidates

COLLABORATIVE SKILLING & TRAINING PROGRAMS

Working collaboratively with a variety of skilling & training partners in the local community, our centre is able to provide clients with accredited industry training including First Aid training, construction induction (white card) training and intermediate computer courses.

In addition to accredited training, we are able to offer our clients upskilling opportunities with valuable workshops in employability skills, obtaining apprenticeships and one on one interviewing techniques.

CONSTRUCTION EMPLOYMENT INITIATIVE

In 2016, the Skilling & Employment Centre commenced the Construction Employment Initiative. Over the last 4 years this initiative has built a network of local employers and training providers, offering recruitment services and collaborating on training opportunities for our clients.

The initiative provides pathways into civil construction, trades and services and various apprenticeship opportunities.
